Operations Report

Prepared by Chris Miller – June 2016 Notable Operations Projects and Their Statuses Conducted During June

- City Council Chamber Meeting Management Upgrade: Following Up
- Studio B Project: Workflow & Training In Development
- Summer Hiatus Maintenance: Completed
- Storage Room: Cleaned & Organized
- 1. City Council Chamber Meeting Management Upgrade: Following Up DoIT has yet to accept the project from the vendor, which continues to encounter minor issues since the vendor completed work in the chamber.
- 2. Studio B Project: Workflow & Training In Development Staff continues to work with the system daily to develop workflow and training. We are working with the installer on an instability issue and a keying issue. We have completed construction of the semi-permanent green screen and teleprompter system for the room. Training for the public will be scheduled shortly.
- 3. Summer Hiatus Maintenance: Completed We were closed to studio productions throughout June and reopened today. During that period, we performed routine maintenance, streamlined some operations and took several items out of service for repairs. Tasks included resetting the editing computers, patching and painting walls, completing the Studio B green screen and flooring, conducting inventory and general cleaning. With the studio open, we were also able to conduct a week-long kids camp and multiple training workshops for producers.
- 4. Storage Room: Cleaned & Organized The major item on the June maintenance list was to clean and organize the storage room. With the board's facilities committee starting to talk about space usage, we wanted to be mindful of assessing it prior to what will be our last maintenance period in December before the 450 lease expiration next May. Many items that were removed from the former production truck were sold or e-cycled.

PCAC Employee Benefits Ad Hoc Committee Meeting Report July 5, 2016

Prepared by Chris Miller, Interim Executive Director and Tim Winter, Committee Chair

Board Members Tim Winter and William Boyer met with our benefits broker Joel Riegsecker and Interim E.D. Chris Miller on June 29. Howie Zechner joined the discussion on June 30 and the recommendation was formulated on July 5.

Background:

- PCAC's health insurance annual renewal date is August 1
- We currently offer a Blue Shield health insurance plan known as "Platinum Local Access+ HMO" along with dental and vision benefits
- Since 2009, PCAC has covered 100% of premiums for all full-time (40 hour) employees and their dependents (100/100). Prior to 2008, only full time employees were covered (100/0).
- The staff has discussed plan options since February and expects to pay out of pocket for approximately 25% of dependent premiums
- Per the Affordable Care Act, PCAC must offer health insurance to three additional employees
- Health insurance was budgeted at \$76,930 for FY16, while \$80,486 was actually spent
- Health insurance is budgeted at \$75,012 for FY17

Discussion:

PCAC conducted a benefits survey amongst employees in May. The results reveal that, overall, employees are happy with the current health care plan. Other findings include a willingness to pay out of pocket for health care vs. paying more while visiting doctors, the desire for more choice and the willingness to join a spouse's plan if offered a fee. It is important to note that keeping current doctors is important to approximately half of the staff, but this was not covered in the survey.

The Alliance for Community Media recently conducted a salary survey amongst its membership. Of 129 responding organizations, 113 offer health insurance. Nearly three-quarters of those have employee contributions.

Our new broker Joel Riegsecker of Leavitt prepared information on several options for health, dental and vision insurance based on these staff desires, PCAC's budget and industry/historical norms.

The Interim Executive Director recommended that the committee consider the following:

1. Staff contributions should be implemented. Without splitting premium costs, we could only afford high-deductible plans with limited networks. PCAC covering 100% for employees and 75% for dependents was discussed with staff in February. An employee buy in for their own coverage, even at 5%, may cause anyone that is or could be covered elsewhere to opt out and reduce costs significantly. Further reducing dependent coverage is likely burdensome to several staff members.

- 2. A metal tier reduction should be implemented. Health insurance plans are primarily separated into four categories based on the percentage the plan pays of the average overall cost of providing essential health benefits to members Bronze ~ 60%, Silver ~ 70%, Gold ~ 80%, and Platinum ~ 90%. Currently, PCAC offers a Platinum plan. A Gold plan would save approximately 6 to 8 percent.
- 3. A base plan with a buy-up option(s) should be implemented. Currently, only one plan is offered. PCAC could offer a base plan on a lower tier and employees could choose a plan on a higher tier at their own expense. In this way, we could offer a Gold Blue Shield plan and employees could choose to "buy-up" to our current plan. We could increase choice even more with CaliforniaChoice. While Blue Shield does not participate in this private insurance exchange, five other companies are offered. PCAC could offer the lowest cost base plan in metal tier and employees could "buy-up" to any plan in that tier and the one above it (i.e. Gold/Platinum, Silver/Gold or Bronze/Silver), though we pay a 2% premium for the privilege. The Gold/Platinum level offers 27 plans including HMOs, PPOs and EPOs.

Recommendation:

The committee recommends that the Board of Directors:

- 1. Adopt offering health, dental and vision insurance contributions for all employees working 30 hours or more per week at 95% of premium costs for the employee and 75% of premium costs for their dependents.
- 2. Authorize the Interim Executive Director to work with the Broker to implement offering the United HealthCare "Gold HMO C UHC Focus" plan through CaliforniaChoice's Gold/Platinum Tiered Choice.
- 3. Authorize the Interim Executive Director to work with the Broker to implement offering the Western Dental "Option 1" dental plan.
- 4. Authorize the Interim Executive Director to work with the Broker to implement offering the EyeMed "Insight Plan H" vision plan.
